

Adam West's Tales From Beyond

A PREVIEW OF ADAM WEST'S TALES FROM BEYOND

SYNOPSIS

Adam West, best known for his portrayal of Batman in the 1960s television series, stars in this collection of tales concerning the scary and supernatural. Ominous, creepy, and with a slight retro feel (the format recalls television shows like DARKROOM, ALFRED HITCHCOCK PRESENTS, and THE TWILIGHT ZONE), TALES FROM BEYOND is perfect for fans of chilling, thrilling stories with just a touch of camp.
