

Tales From Beyond

When a trendy young couple enter a quaint antiquarian bookstore seeking a present for their friend, they find more than they bargained for. Mysterious shopkeeper Jay (Adam West) takes the couple into the world of his books, leading them through four amazing stories: "Abernathy," "Nex's Diner," "Life Replay" and "Fighting Spirit". In the tradition of classics from such legends as Serling, Roddenberry, and Hitchcock, "Tales From Beyond" is a suspenseful anthology, filled with unique characters and haunting stories. Written, directed and produced by Josh Austin, Nate Barlow, Eric Manning, and Russell Scott for Central Film Group and Westbound Pictures.
